

RULES OF CONDUCT FOR BUS RIDERS

The students on the bus are in the immediate supervision of the bus driver and are, thus, subject to the rules set by the Clark County School District Board of Trustees and the State of Nevada. Any offense of these rules by a student is to be documented on a School Bus Incident Report to Parents issued by the bus driver concerning the disciplinary offense with copies distributed to the principal or designee, the parent/guardian, and the District Transportation Department.

- Bus students must stand in an orderly manner at pickup points until the bus comes to a complete stop.
- Students must board the bus in a single file line and go directly to a seat.
- All students must remain seated while the bus is in motion. Students must remain seated until the bus has fully stopped, then enter the aisle and go directly to the front exit door. Students must exit through the front exit door after the bus has come to a complete stop. If a student must cross the road, walk 10 (ten) feet or more; wait for the driver's signal, then cross when it is safe to do so.
- Any distracting action by a student that creates a safety hazard by demanding unnecessary attention of the driver may result in disciplinary action (loud talking, use of profanity, fighting, throwing objects, smoking, standing, eating, drinking, and/or damaging the bus or bus seats).

In conformance with the *Clark County School District Pre-Kindergarten–Grade 12 Student Code of Conduct*, the site administrator will address bus misconduct in the following manner:

1. Confer with the student, the parent/guardian, or appropriate transportation staff, as necessary, to resolve student conduct problems.
2. Designate students as ineligible for transportation services when warranted and notify the District Transportation Department and the parent/guardian of the action taken.
